# APPEAL GRAVEL RULING OF BOARD OF APPEALS

A suit in Equity, in Cambridge Superior Court, has been filed against three members of the Wilmington Board of Appeals because of a decision handed down by that board on in April.

The suit, filed by Attorney Frederick J. Conroy of Lexington, alleges that Chairman Richard D. Howlett, Frank F. Santo and Ernest Jamieson of the Wilmington Board of Appeals exceeded their authority, in a decision involving two lots of land, on Andover Street.

The land is owned by George Morey of 90 North Hancock Street Lexington, and John E. Deloury of 10 Carolyn Road, Wilmington.

The suit was filed on May 14th. Morey and Deloury appeared before the Board of Appeals on April 2nd, asking to divide the land they own, at the upper end of Andover Street, into two lots, and further asking to be allowed to remove excess earth products (gravel) for use elsewhere.

The proposal was to grade the two lots, between 112 and 120 feet above sea level. Andover Street at that place is about 100 feet above sea level.

The attorney, during the hearing, told the Board of Appeals that it would not be practicable to build homes without grading first. Mr. Deloury estimated that the proposed removal of earth products would involve approximately twenty thousand yards. Deloury and Morey were willing to post bonds to guarantee their work.

The appeal was opposed by William Stickney, of the Planning Board, who said that his board had voted unanimously against such an operation, and that the proposal

was not for building purposes, but rather to sell gravel.

In their decision the Board of Appeals denied the removal of the gravel, and said that if it were to be permitted there would be a 'dangerous precedent - that might set off a chain reaction for requests of a similar nature for other parts of land within the town. It is clear that a hardship is not proven'.

Atty Conroy holds that his clients are 'aggrieved by the decision' and appeals from it to the Superior Court, in Equity, as provided by Chapter 40A of the General Laws.

In addition to stating that the decision exceeds the authority of the Board, Conroy asks the Court to hear all the evidence, and then annul the decision, so that the two men may remove the gravel, as proposed.

Part of the evidence submitted to the Board of Appeals concerned land where Mr and Mrs Carlson live, adjacent to that of the two appellants. It was shown that there had been three successive gradings and gravel removals, when the Carlson family built their home.

Nothing was said in the hearing about another operation, north of the Morey-Deloury land, where a gravel removal operation was ordered stopped by the Town, and the decision on that case is now pending in the courts.

**THE BIGGEST LILAC BUSH:** In Wilmington, and perhaps for a dozen miles around, is now in bloom, at the corner of Federal Street and Middlesex Avenue. It measures over 100 feet long, and is about twenty feet thick, and even more so in places.

The lilacs may have been planted by William Blanchard, who owned a home where Mr and Mrs Joseph Gilligan's home is, during the Revolutionary War. Blanchard was a Sergeant in the Wilmington Minute Men, and later was a Colonel, commanding the Fourth Middlesex Regiment of Militia, about 1800.

**TO BE DEDICATED MEMORIAL DAY:** The new flagpole, being raised in the center of Wilmington Common, last week, by the Radio Towers Co., owned by William E. Traer of Woburn Street. The new pole is fifty feet high.

The Memorial Day parade, according to Commander Ralph Zwicker of the Wilmington Post of the American Legion, will end at the new flagpole, at which time it will be dedicated.

Commander Zwicker is endeavouring to have the US Army make a presentation of posthumous awards for Jack Fullerton, Wilmington soldier killed in Vietnam, at the flagpole on Memorial Day. The presentation would be to Mrs. Fullerton, and include a Second Purple Heart, the Bronze Star, and the Soldier's Medal.

**BILL MCGONDEL AWARDED  
BRONZE STAR**

Major Bill McGondel, US Army, a 1950 graduate of Wilmington High School, was awarded the Bronze Star, on May 8th, for action in Vietnam. The award was made at the Wentworth Military Academy, Lexington, Missouri.

The citation read: On the rainy night of May 3-4, 1966, he was largely responsible for the successful night move of a 360 vehicle convoy through 150 kilometers of Viet Cong infested territory to a tactical area of operations in the vicinity of Bong Son. This move placed combat and supporting elements in position for a dawn surprise attack that resulted in the defeat of a North Vietnamese battalion and approximately 325 confirmed dead. This was the first major night convoy conducted by United States Forces in Vietnam and contributed substantially to the subsequent successful operation.

By his loyal, courageous and dedicated service, Major McGondel made a significant contribution to the combat success of the 1st Cavalry Division and particularly to the 3rd Brigade.

**FIRST CAMPING TRIP OF THE SEASON:** For Wilmington Girl Scouts, was enjoyed last weekend by the girls of Troop 487, Mrs Florence Rinker, leader. The weekend trip was to Camp Runnels. The girls will be having a cake sale, in front of DeMoulas, Saturday

## Nosey Nancy

Send your announcements to Nancy, Box 208, Wilmington, or call 657-7141, or after five, 658-4865. If I'm not there, I'll call you.

Hey, Tommy and Marc! We finally made it. Your stuff is on the way. Some of the boxes the post office gave us a hard time about because they were too big, so we have to repack them, and anyway, there have been added contributions since then, so there will be an additional mailing on June 1st. Boy, these people are really great! They've not only contributed the stuff, but we had three donations for the postage last week also!

You're really doing it now, folks! The yarn project has been humming this week also. Seemed that everywhere I went this week, someone hollered, 'Hey, Nancy, have some yarn for you!' And I'll tell you this gal's ears couldn't hear any happier music....Great! And we still need more....so don't forget... You gals that were catching the train, haven't seen yours yet!

Let's you guys and dolls make with the cards this week for Barb Graves, who's back home on Washington Avenue, and Stephen Sabre on South Street, and his cousin Larry Howe on Grove Avenue, both of whom are confined to their beds with rheumatic fever.

Mr Gould at West Intermediate tells me that Stephen has fish and hobbies galore and is doing fantastically well on his school work, with a picture setup in his room, plus some team teaching that some of the teachers on the West faculty have volunteered for. Miss Wunsch has taken on his English, Mr Connolly his Science, Miss Landry his Math, and Mr Maggio his Social Studies....they go to his home....with the blessing of Harold Shea. This is great...We're certainly delighted with this development and I really think that the faculty deserves as much credit as the youngster, and his folks (Believe me, we did that two-year rheumatic fever stint with one of the clan and our knees haven't been the same since!) So out with the cards and notes, and if you don't know what to say, an 'X' or a cartoon will do....Wonder if those fellows would like to borrow the James Bond books and the Science Fiction books that were given to this gal to send to Vietnam this week....Some kind mother cleaned one son's room and gave a great carton to us....Think she wouldn't object, if the boys would like to read these, and then they were sent overseas....If so, will one of you mothers, either Mrs Sabre or Mrs Howe give us a call at the Depot? And we'll send our recovered rheumatic fever clansman to leave them off! That's 657-7141 there, gals! Keep up the good work, fellas!

Diane Fielding is looking for some first aid. With all of her animals and projects, she is having a little difficulty with low blood pressure and gets plumb tuckered out--should think she would--and needs some

vigorous and hardy horsewoman to travel with the 4H Horseshoes....If you can, please call her at 658-8220.

104 of WHS English Students will be tripping to the North Shore Music Theatre in Beverly on May 23 at 10:30 am to see a real live professional performance of 'Hamlet'. This is the fifth year that the school has participated in the Shakespeare Program.

Mrs William Roberts, of Hillside Way is a gal who gets long distance telephone calls on occasion. All the way from Nigeria, in Africa. She received one on April 28th which happens to be her birthday. Why should the lady get those long distance calls, - from that far-away place???

Her son William Jr. is a Peace Corps Worker, in Nigeria. He's been over there about two years now. Yes, he is the one who makes the calls.

The Crusaders and Swordsmen will be out with the Patrons Slips for their book between now and July 12. To have your name included, the tariff is \$1.00, this helps defray expenses. They will present you with a ball point pen with their name inscribed upon it for your donation. Nevermind that, let's get with it and give this group all of our heartfelt support. The advisors and the kids are really giving their all, and the least we can do is help them with \$1.00! (They have asked me especially to thank Father Croke and St Thomas for the emergency facilities for the supper on last Saturday night!)

Before this gal gets into the lists of the various activities and functions this week, she would like to give you folks a word about an appeal that has been made to her!

Seems that the 'Human Rights Committee for the townspeople has really not taken off to what we'd call a roaring start...The next meeting will be on June 4, and will announce next week the time and place...Now, we'd like to have you all...Chinese, Cuban, Negro, Swedish, Jewish, Newfoundlander, or just plain mixed up, like most of us are...to come down and size the thing up, and see if you individually can help us out...Oh, yuh, we can use the Sons of Italy too!

Now this gal must confess that she hasn't made a meeting yet either, but you can bet she'll make this one, and she'll see that you all have coffee and donuts...Drop it...whatever you are doing for June 4...and make a big red HR on the Calendar...Come on now...SOS... WE NEED YOU!

Charlie Kelly stopped around and asked me to thank you all for making the Poppy Drive such a howling success. They did better than they have ever done, and I noticed that most of you were sporting your Poppy. He also has issued an invitation to you all to attend the VFW installation on May 24th. It is open to the public and they'd like to see many of you.

Now for the doins around town: The Merrimack River Girls Scout Council appointed Mrs Charles F Lounsbury of 8 Shady Land Drive to be the new Chairman of the Baldwin Neighborhood. She will replace Barbara Dayton who has been elected a member of the board and Chairman of Program Services. Mrs Dayton is also a Volunteer Trainer. Mrs John Foley and Mrs Howard Leighton are Troop Organizers. Mrs James Navaroo, and Mrs Earl Zimmerman, Brownie Consultants. Mrs Marvin Peschel, Mrs Wm Seekins and Mrs Jos. Filipowicz, Jr Consultants. Mrs Richard Yates, Cadette Consultant and Sr Advisor.

The Baldwin Neighborhood is comprised of the Wilmington and Tewksbury Girl Scouts. The final meeting will be a casserole supper at the Wilmington Congregational Church on May 21st.

The Crusaders and Swordsmen invited the Clan to an International Supper that they had at the Villanova Hall last Saturday night....and if the kids were the judges, it certainly was a success....They had everything, and it was all delish... By the way, gals...Had an idea... Next time for one of those...sell a recipe...like for stuffed cabbage for a quarter and I'll bet you really clean up...Boy, can those Corps leaders cook!

Hey, all you promising artists... Here's your chance...The Art Festival on the common on June 8th. (Shoot, there'll be no junior division this year they tell me!) The entry fee is \$1.00 and should be paid to Mrs Ernest C MacDougall when you deliver your exhibit. She lives at 190 Middlesex Avenue and you should deliver between 10 am and 8 pm on June 5th. Your pictures should be all ready for hanging with screw eyes and wire.

Awards will be made in these categories: Traditional, Modern, and Sculpture. The judging will be done by popular vote and professionals.

The cash awards have been increased this year. There is no limit to the number of entries as one person can make....Now, make with those brushes, there folks, and show us your talents!

A little bird told us that the Chancel Choir at the Methodist Church is in good voice and putting the garnish on their performance of Gilbert and Sullivan to be presented in the Fellowship Hall at the Church next Thursday Evening, May 23, at 8 pm. Come down and have fun!

Girl Scout Cadet Troop 215 is holding a Bake Sale with all kinds of goodies on Saturday, May 18th in front of Grant's at the Plaza from 10:00 am to 4:00 pm. They are still raising the money for that trip to Washington, so don't forget...drop in when your browsing for your lawn seed, or your food, or your cleaning, or just out for the ride and help these hardworking gals out!

The Council of Churches read this gal's mind....they have re-established the Seniors' BAC-

## Selectmen's Meeting

The Board of Selectmen's Meeting was short and sweet on Monday night, with acting chairman Jim Miceli substituting for Chairman George Boylen, who was out of town. Selectman Black was welcomed back after his stay in the hospital and the whole meeting took only twenty minutes.

### Old Business

A memo was read from the Town Manager stating that the new flagpole at the High School would be dedicated on Memorial Day on the motion of Selectman James Banda.

An auctioneer's license was granted to 125 Auction House and also the license for the hall to George Wilson.

A letter will be written to the County Commissioners requesting that the B&M fence in the area along Grand Avenue and Lawrence Street, with a memo to follow on other areas being considered by the Town Manager presently.

There was a request for a Hatch Act Hearing from the Wilmington Development Company in North Wilmington on the land in question, brought up by George Lindefelter, a resident of Concord Street, a few weeks ago, and on which there had been a cease and desist order issued by the Department of Natural Resources. This was scheduled for May 20 at 8:30 pm.

A memo from the Chief of Police, Paul Lynch said that an officer would be stationed at the Dump on Saturday and Sunday to see that Wilmington residents only are admitted.

Mr Farmer from Brewster Lumber Company, who has bought the land between Greers and the Railroad Track applied for a permit to remove top soil, and was referred to the Board of Appeals.

Charles Black asked that the parks, etc., be inspected before Memorial Day, and Miceli told the Town Manager Sterling Morris, that Mr Wilson Belbin and Ralph Zwicker had spoken to him about the sign being down at the Berigan Memorial Park.

With reference to the Gibbs Oil permit, the Town Counsel had supplied the Board with a memorandum stating that the Gen Laws 14A, Sec 13, said that a permit could be revoked only for just cause and after due notice was delivered. If the license fee had been paid and issued each year, then it could not be revoked unless for a valid reason given by the licensing authority, in the case the Board of Selectmen.

Banda stated they had 'no cause' since the fee had been paid each year, and that there was no chance of revocation. Black made the motion to take no action and Banda seconded it.

The meeting was then adjourned.

MRS G EARLE CAMBER TO  
OPERATE GIRL SCOUT CAMP  
FOR THIRD YEAR

Mrs G Earle Camber of Chestnut Street will be directing the Girl Scout Camp at Pomp's Pond, in Andover, again this summer, for the third successive year. Known as Camp Merrymeeting, the camp serves Girl Scouts from the third through the ninth grades in Andover, Billerica, Methuen, Lawrence, Tewksbury and Wilmington.

Before directing Camp Merrymeeting, Mrs Camber was director for the former Lowell Council for its Wigwag Day Camp in Wilmington. Her program specialty is in the field of Nature, and girls at Merrymeeting are sure to have a rich program exploring the World of Nature in addition to the archery, crafts, and outdoor cooking common to all the Merrimack River Council's camps.

Camp registrations are now being accepted at the Girl Scout office, 89 North Main Street, Andover Mass 01810. Non-Scouts will be accepted after June 1st if space is available.

Mr William Meyer, 6 Pillings  
Road, No. Wilmington  
Mr Warren Sheerin, 25 Gundersen  
Road, No. Wilmington.

May 10, 1968

Dear Mr Meyer and Mr Sheerin:  
After reading your enlightening  
article appearing in the May 2,  
1968 edition of the Wilmington  
Town Crier, entitled 'The Wil-  
mington Minutemen of 1775', we  
wholeheartedly congratulate both  
of you for your patriotic determi-  
nation to formulate the once brave  
and renowned 'Wilmington Minute-  
men of 1775'.

Surely the people of Wilmington  
being a proud group will again  
answer the call and defend the  
heritage they love making the task  
of forming the Company an easy  
one.

Since there are many important

events coming up and forming the  
Company taking most of your time,  
we do hereby invite your Company  
to participate in a mock battle  
ceremony which will be held on the  
Bunker Hill Monument Grounds,  
on Saturday, June 15, 1968, at  
1:30 pm., in Charlestown, Mass.  
We want your company to partici-  
pate in these ceremonies, no mat-  
ter how many men you have at that  
time.

Should you have any questions  
regarding the Battle, or where to  
purchase Muskets, Powder, Hats  
etc., feel free to call me at my  
home.

Signed: James C. O'Neill  
Charlestown Company 1775  
Bernard J. Kelly  
Adjutant.

(There is to be a meeting at the  
home of William G. Meyer, 6 Pill-  
ing Road, No. Wilmington at 8 pm  
May 24th., for the purpose of dis-  
cussing the formation of a Wil-  
mington Company of Minutemen.  
Enlistments are still open. Ed.)

DECEASED

Bertha L. Mills formerly of Main

passed away after a lengthy ill-  
ness on Saturday, May 11th, at

Born in Lynn, Mass., Mrs Mills  
was a long time resident of Wil-

Owen Mills and the mother of  
Mrs Ruth L. Foley of Winchester,  
Mrs Marjorie A. Paul of Heights-

JACK C. METTAUER  
PRAISES WOLFF

Salem Street  
Wilmington, Ma.  
5/13/68

Dear Nancy:

I would like to congratulate Ron  
Wolff for speaking out coura-  
geously against the war in Vietnam  
and assure him that he has not  
become a 'Persona Non Grata'  
in the eyes of the towns people  
as has been suggested in the let-  
ter of Bill Iovanna. The com-  
bined vote for Senators McCarthy  
and Kennedy in the April 30th pri-  
mary 526 votes indicates that he  
is not alone in his position against  
the war. Moreover, the subse-  
quent controversy in these pages  
over a significant issue is re-  
freshing and politically healthy. It  
is a shame however, that some had  
to rely on character assassination  
and name calling rather than facts  
and opinions concerning the issue.

It would be delightful, more  
accurately, reassuring, if issues  
such as the Vietnamese War, na-  
tional goals, and racism through-  
out the country, were discussed  
publicly with greater frequency  
by the people of the town. This  
type of communication is an es-  
sential ingredient of an active  
democracy that is frequently left  
out as mass media and suburban-  
ization rise. Here's hoping that  
people continue to use the Town  
Crier for a catalyst for democra-  
tic process.

## HONOR SOCIETY AND SCIENCE CLUB ATTEND CENTURY 2000

The Science Club and the National  
Honor Society will attend (at the Cin-  
erama Theater in Boston) the Space  
Epic Century 2000 in lieu of the  
Field Trip to Woods Hole Oceano-  
graphic Laboratory as previously  
planned.

The original field trip was can-  
celled after receiving notification  
from the Laboratory that there would  
be no more open house programs  
until 1969.

The members and advisors of the  
two high school organizations sin-  
cerely thank the public for their  
donations and support of the cake  
sale and book fair at the time of  
the Science Fair.

The funds set aside for the trip  
to Woods Hole will be used to fi-  
nance the theater party.

of Woburn.

Eleven grandchildren also sur-  
vive. While living in Wilmington,  
Mrs Mills was a member of the  
American Legion Auxiliary of Post  
#138 and the VFW Auxiliary, both  
of Wilmington, and was also a  
member of the Wilmington United  
Methodist Church.

Funeral services were held from  
the Nichols Funeral Home, 187  
Middlesex Avenue, on Wednesday  
May 15th at 11:00 am with the  
Rev Willis P. Miller of the Wil-  
mington United Methodist Church  
officiating.

Burial took place in the Wild-

Even though people assume that speaking must be a simple function because almost everyone speaks, no process performed by human beings is more complex.

It is not surprising, therefore, that youngsters with speech problems make up our largest group of exceptional children. The need for speech therapy is great.

Many schools have no speech programs of any kind, and in those that do, the speech - handicapped child probably receives only one or two brief speech therapy sessions per week.

As a result much of the responsibility for helping children to overcome speech handicaps rests with the classroom teacher.

Filling prescriptions is not an easy function and requires intensive training.

The Chancel Choir of the Wilmington Methodist Church is busy with rehearsals to get ready for their presentation of SCENES AND SONGS from the great Gilbert and Sullivan's HMS Pinafore and the Mikado. A delightful program has been planned by the Choir Director Miss Linda Kyle, who has devoted many hours of practice with the group.

The members of the Choir voted to present the program for one night only, May 23rd, in the Fellowship Hall of the Church.

Judging from the excellent reports after the Choir's program last year, there is a large turnout expected. To avoid disappointment, be sure to obtain a ticket from any of the choir members.

### Academy Competition

Congressman F Bradford Morse reminded young men this week that the application for appointment to one of the United States military service academies in 1969 is on June 1, 1968.

In 1969, as a result of this competition, Morse will appoint principal and alternate candidates to the US Military Academy at West Point the US Naval Academy at Annapolis, and the US Air Force Academy at Colorado Springs, and the Merchant Marine Academy at Kings Point, N.Y.

To be eligible, young men must be between the ages of 17 and 22 as of July 1, 1969, unmarried, and reside in the Fifty Congressional District.

Morse will again use the Civil Service Commission designation examination. It will be given on July 9 of this year. The men with the highest scores on the exam will then be given a preliminary medical examination.

Candidates who successfully pass these exams will then be interviewed by the Congressman's Academy Advisory Board, an impartial group of outstanding citizens from the Fifth District. The Board considers basic eligibility, examination scores, previous scholastic achievement, extra-curricular activities, and maturity and bearing.

The Congressman urged qualified young men to contact his Washington office (Congressman F Bradford Morse, 215 Cannon House Office Building, Washington, D C 20515) for application forms and additional information about the competition.

Fifth District towns and cities include: Andover, Bedford, Billerica, Burlington, Chelmsford, Dracut, Dunstable, Groton, Lawrence, Lexington, Lowell, Methuen, North Reading, Pepperell, Reading, Tewksbury, Tyngsborough, Wakefield, Wilmington, and Woburn.

### NOSEY NANCY (Fr. Pg. 3)

CALAUREATE SERVICE! This will be held for the graduates and their parents on June 2nd at the high school... (guess we'll hear the time later) It is an interdenominational service, and one that will be gladly welcomed again, I'm sure!

Janice Robbins, Howard Lefavour must have heard you and your friend asking me... The Women's Softball Team needs more members. If you're over 18, and have a yen for the diamond--baseball that is--show up at the West Intermediate School Ball Field on Thursday, May 16th or Friday May 17th at 6:30 pm, with your gloves, bats, and cleats! Go, go, gals! That's the spirit... and you couldn't have a better coach!

AND IT'S AN AUCTION... for the Pop Warner Football League on Saturday, May 18 in the American Legion Hall on Middlesex Avenue. It will start at 10 am, and promises to be great with the great auctioneer Mike O'Rourke holding forth... The Friends and Parents of the League have donated antiques, furniture, clothing, old and new. Some of the stuff is slightly used like some TV's that were donated, but come on and have a ball... There will be a snack bar and refreshments... Remember next Saturday at the American Legion Hall from 10 to 6 for that Auction... and they probably won't object if you wish to donate something... Call Rico Catalano, if you have something around the house... (Wonder if they'll auction dogs and kids... hm... mm... mmm!)

Our thought for this week, purchased from Willis Miller without his permission... 'Patience is the ability to idle your motor when you feel like stripping the gears!'... and boy is that one true! See ya next week!

The Town Crier has remarked before that DaNang and vicinity seems to be a popular place for the young men of Wilmington, popular in the sense that they are there.

Some of them are adept at figuring out where another man is stationed, just by his address, and when an address is published in the Town Crier - lo and behold, two boys from Wilmington will have a reunion - way over there on the other side of the Pacific.

One of the boys there is John A. Hersom. The Town Crier had a picture of him a couple of weeks ago, as a Builder Third Class, in the Seabees. Johnny has now been promoted to Second Class. He is in the 128th Naval Mobile Construction Battalion 128, at Camp Faulkner, in Vietnam. The battalion is homeported in Gulfport, Mississippi.

Master Sergeant Daniel S. Bull, of the Air Force is now in Ankara Turkey, where he is a munitions disposal technician. He was transferred recently from Eglin Field, in Florida. He is the son of Mr. and Mrs. Reuben Bull of 38 Burl-
